262. Repair of tanks and canals.

263. Grant of forest tracts for cultivation.

264. Construction of roads.

the backwater landing to Peruman landing and to Elumpalloorkavu.

Mr. K. Geevurghese requested—

(1) That the road from Pattakadavu (in western Kallada) to Kothapuram might be improved and made cartable:

(2) That the kalingula on the above mentioned road might be re-constructed and provided with shutters to keep out brackish water:

(3) That the Sub-Registrar's office at Chathanoor established for the three Provertis of Eravipuram, Adichanalloor and Paravoor might be shifted to a central place: and

(4) That the Chennamangalam temple and tank being private property might be taken over by the Sirkar and repaired.

Dewan's reply.—Noted.

KOTTARAKARA TALUK.

Mr. R. Shunkaren Unnithan requested that the village road between Sasthankotta and Karimpoompuzha landing might be converted into a public road and provided with a bridge across the river.

Dewan's reply.—Noted.

The member also brought forward the following representations:—

(1) That an aided school might be started near the Perungamathu temple in Kulakkada:

(2) That the Anchal pillar box at Puthurmadaprom might be transferred to Pankottuchira and that a Village Anchal office might be opened near the Lower Primary school in Kulakkada:

(3) That a road might be constructed from Cheerankavu to Panikadavu: and

(4) That the tanks and canals in the Taluk might be repaired.

PATANAPURAM TALUK.

Mr. Parameswaran Pillai requested that tracts in reserved forests might be granted for cultivation; that roads might be constructed from the Avaneswaram Railway Station to Kalayapuram and to Patanapuram.

Dewan's reply.—In regard to the giving of lands for paddy cultivation, I would refer you to the Address where the subject has been dealt with.

The other request will be noted.
